13) What are the three Greek moods of 'walk' in **Galatians 5:16** and their significance?

14) "Walking in the Spirit means that we _____ His thoughts and perspectives to _____ our thoughts. It means that we _____ our _____ with His Word so that His _____ become our thoughts, His _____ become our standards, His _____ becomes our work, His _____ becomes our will, His _____ become our desires."

Quote: "Walking in the Spirit means that you will take all His commands found in His Word seriously because they express His desires, and it means that you will rely on Him to give you the strength to do it and move out in obedience to actually do it."

Quote: "Among other things, walking implies progress, going from where one is to where he ought to be. As a believer submits to the Spirit's control, he moves forward in his spiritual life. Step by step the Spirit moves him from where he is toward where God wants him to be." **John MacArthur**
