Quote: "We ought to pay attention to the experiences of others in temptation and learn from their victories and their failures."

Quote: "So if you're going to resist temptation, you need to get your desires purified. You need to clean up the inside, because if you get the inside cleaned up, the temptation won't overcome you."

Quote: "Stop blaming your circumstances, other people, and even God. Take full responsibility for **your** responses. Recognize the fact that when **you** yield to temptation, **you** are being enticed and carried away by **your** own desires. Focus your attention on **your** heart. Devote yourself to constantly cleaning up **your** heart, **your** thoughts, and **your** desires, and filling them with God's Word."
